Amazing visual illusions

[May. 15th, 2008|03:14 pm]

The following links to a master page of visual illusions. The visual illusions do not automatically appear.
http://illusioncontest.neuralcorrelate.com/index.php?module=pagemaster&PAGE_user_op=view_page&PAGE_id=146&MMN_position=55:5

Please let me warn the migraine prone, or those for whom visual tricks can disorient or give a headache - do not click through to the individual illusions. You can go to the first page, but the individual illusion pages can cause some nausea or migraine triggers. At least, that's what I found.

Thank you for the warning, Hon. I'll skip it. :-)
